Bodhi Signature Massage

Our signature massage is designed to address both physical and emotional imbalances. Promoting a sense of equilibrium and well-being. Full body firm pressure massage, warm oil, our three favorite

Doterra's essential oils (certificated pure therapeutic grade) and a special energy

cleansing with Palo Santo or Holy wood - a sacred wood from South America using to

purify the energy and create a sacred space- are the perfect combination to help you

achieve a state of equilibrium and overall harmony.

Relaxing massage

Recover from the stresses of daily life and sink into your vacation in Paradise. When you experience a relaxation massage, expect a treatment that involves long smooth gliding strokes that are rhythmic and flowing, with a touch of detailed delicate techniques in hands, feet and face that will leave you with a sense of ease and freedom in the body. This technique promotes relaxation by increasing the level of oxygen in blood, balancing the nervous system, stimulating circulation and decreasing muscle toxins. This massage uses light to medium pressure.

Alternative Therapies

REIKI 60MIN \$120

Reiki is a Japanese technique used for detoxification, stress reduction, relaxation and to move the energy in the body. Energy that is stuck can create disease, stress, tension and disharmony. Reiki is administered through hands on touch to create an experience to nourish and connect the body, mind and soul.

CRANIOSACRAL THERAPY 60MIN \$140

Craniosacral therapy is a hands-on therapy that assists the body's natural capacity for self-repair. It is a subtle and deep healing treatment that uses a very light touch (5 grams) to encourage the body to heal itself. Craniosacral therapy is based on subtle, cyclic micro-movement in the body called the cerebrospinal fluid pulse, the therapist's intention is to listen through the hands and create a supportive environment so that the client's system starts its own self-healing process. Please wear loose comfortable clothing.

ACUPUNCTURE 75 MIN \$160

The art of acupuncture uses the energetic system to heal, activate and improve the body. Consultation may include diagnosis, personal strategies to overcome health issues or improve the body using natural medicine, easy kitchen remedies and recommendations of acupressure points you can use at home. Acupuncture is good for cleansing the mind and balancing the emotions, strengthening muscles, bones and tendons, recovering from trauma or accidents, relieving chronic pain and improving your health and body functionality.
